

COURSE ANNOUNCEMENT:
**WILDLIFE HANDLING AND CHEMICAL IMMOBILIZATION
FOR WILDLIFE PROFESSIONALS**

Northern Arizona University, Flagstaff, AZ; August 14-16, 2018

Global Wildlife Resources (GWR) is offering a 3-day wildlife handling course August 14-16 (Tues-Thurs.), 2018 at the Merriam-Powell Research Station at Northern Arizona University in Flagstaff, AZ. GWR is dedicated to supporting wildlife professionals with humane capture and handling through training & field assistance. This class is one of the most extensive chemical immobilization courses in North America and includes hand-on labs with animals. It is invaluable to state, federal, & tribal wildlife professionals, college students, and zoo caretakers.

This unique training focuses on the field-based needs for chemical immobilization of captive and free-ranging wildlife. *With daily hands-on labs, this is the most extensive training you can receive in North America.*

Course content includes:

Five-step Preparation for Field Operations * Legal Responsibilities * Professionalism* Drug Delivery Systems * Immobilizing Drugs * Patient Monitoring* Marking * Sampling * Veterinary Emergencies* Euthanasia * Human Safety * The Y Pole * Honoring each animal through equipment and techniques

HANDS-ON LABS EVERY DAY:

- **Drug Delivery Systems** - opportunity to practice the most effective dart guns
- **Needle & Syringe Skills** - building safe, professional habits for human safety & accuracy
- **TPR Lab** - a practice lab with goats to learn the first layer of skills for chemical immobilization for Day 3
- **Chemical Immobilization** - participants in groups immobilize goats (which simulate deer) with a hand-injection and experience chemical immobilization with both ketamine and BAM drug combinations.

GWR courses promote care, honor, and respect for every animal that is handled and are often profound personal and career experiences for course participants.

GWR courses build confidence and strengthen resumes! GWR courses provide Credits for the Wildlife Society Professional Development Program and will certify professionals for any state and federal agency requiring certification.

The course is limited to 25 participants so register early! It includes labs each day, course notebook, and Certificate of Training. Each day is 9am-5pm. The 3-day course fee is \$625 / \$510 for university students (full-time) / \$510 Refresher fee (for those who have taken GWR courses before). Places are reserved once payment is received.
